WHEREAS, it is in the best interest of the state of Nevada that its regulatory environment be concise, transparent, stable, balanced, predictable and thoughtfully constructed; and

WHEREAS, Nevada's current regulatory structure is too often unfocused and inefficient, contains regulations that are obsolete and includes regulations that are unnecessarily onerous, thereby limiting the economic potential of the State; and

On or before, May 1, 2023 each department, agency, board and commission shall provide a report to the Governor's office detailing how the regulation subject to its enforcement can be streamlined, clarified, reduced or otherwise improved to ensure those regulations provide for the general welfare of the State without unnecessarily inhibiting economic growth.

SECTION 2:

As part of its report, every executive branch department, agency, board and commission shall provide a list of not less than ten (10) regulations recommended for removal, ranking them in descending order of priority.

Renew Your Membership

Renew your membership each October to maintain access to important, exclusive benefits that keep your regulatory program robust, defensible and relevant.

Base dues for FY 2024 (October 1, 2023 - September 30, 2024) includes a 3% increase.

In addition to renewing dues each year, you also have the option of purchasing Participation Credits.

- Each Participation Credit is \$2,750.
- This amount will, on average, cover the cost of sending one person from your Board to the CLARB Annual Meeting each year.
- Participation Credits are used to cover meeting-related expenses including registration fees, hotel accommodations, airfare, ground transportation and meals.
- CLARB strongly encourages you to purchase two Participation Credits each year to ensure optimal participation (the Member Board Executive + one Member Board Member) at the Annual Meeting.
